BATTERY USE IMPORTANT NOTES - PLEASE READ!

- Charge battery for 6 hours the first two times. Subsequent charges take only 4 hours.
- After charging, battery will be warm. THIS IS NORMAL.
- After use, battery will be hot! Wait at least 20 minutes before recharging.
- NEVER charge the battery longer than 6 hours. This will damage it!
- When car is not used, disconnect the battery from the car.

DRIVING YOUR BAJA RACER

WARNING!

- 1) Only operate your car on sidewalks and playgrounds but NOT on roads where traffic is present.
- 2) Avoid using your car outside when it is raining, snowing, thundering or in strong winds or other poor weather conditions.

RECHARGEABLE NIMH BATTERY PRECAUTIONS

- 1) Charging the battery takes 4 hours approx.
 - 2) Charger will not overcharge batteries.
 - 3) Only use supplied charger; others may damage batteries!
 - 4) Do NOT leave battery/charger unattended while charging!
- PLEASE READ THIS CAREFULLY BEFORE USING.**

- When you are running your Baja Racer, always keep it in your sight. Keep your Baja Racer away from roads or other areas where you might collide with people, pets or cars. Avoid driving your Baja Racer under parked cars, etc.
- Keep your fingers, hair, face and clothing away from the spinning front or rear wheels.
- It is recommended that children should be under adult supervision when they are playing with the Baja Racer.
- Keep away from fire or hot and/or humid environments.
- Do not disassemble the product.
- Do not place any objects on the spinning wheels.
- Do not start your Baja Racer when the front and rear wheels are unable to turn freely.
- Please keep this toy from children under 5 years old.

FCC REQUIREMENT

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE: Changes or Modifications not expressly approved by the party responsible could void the user's authority to operate this device.

WARNING:

CHOKING HAZARD- Small parts Not for children under 3 years.
